

Coleman School 3rd Annual International Night

Join Us!

6pm-8pm, Wednesday, April 11, 2018

Coleman School Gym

“Meet the People of the World”

This year we will celebrate our diversity as we learn about people from all over the world- humanitarians, artists, politicians, writers, athletes- all of those who shaped and changed our world history!

We invite you to share the stories of the people who shaped the history of your country of heritage with the children and families of Coleman School! Some of the ways families can choose to share include:

- Clothing • Photos • Food samples • Maps of the country • Video footage or equipment
- Facts & items of cultural significance • Music • History displays • Games

Students can visit different “countries” with their “passports” to “meet” and learn about the culture and people!

In order to make this celebration possible and a success, we would like representation from as many nationalities and cultures as possible! We are looking for families to host tables/stations representing a nationality or culture.

“Meet the People of the World”

Coleman School 3rd Annual International Night

6pm-8pm, Wednesday, April 11, 2018
