

# COLEMAN SCHOOL H.S.A.

## HOLIDAY SHOP

**Friday, December 8**

The holidays are coming, and we want to help make it even more *special for your children* by giving them the opportunity to shop (in secret!) for Mom, Dad, grandparents, siblings, and other important people in their lives.

### Children...

- Have fun finding that perfect gift for everyone on their list.
- Feel the excitement of shopping on their own.
- Experience the thrill of giving and sharing.

### Parents...

- Appreciate knowing your children are shopping in a safe, supervised environment.
- Children learn how to budget and use math skills to make shopping decisions.
- Experience the joy of being genuinely surprised when opening their gifts.
- Help raise money to support our school H.S.A!

With the assistance of parent volunteers, each class will rotate through the shop throughout the school day. The shop will be open after school until 4:30pm (after school your child must be accompanied by an adult).

Gifts include: **Emoji keychains~photo albums~jewelry~Pokemon~Shopkins~silly pens~gloves~tools~pet toys~mugs~arts and crafts and so so much more!**
